

TRC - TELLING RIGID CLIPS

CLIPS

Telling Industries manufactures an extensive line of Metal Framing Connectors and Clips. Standard gauges and sizes are complimented with specialized and custom fabricated Clips to meet all your Metal Framing needs and available in standard G60 and optional G90 coatings. All Telling products, including Metal Framing Connectors, are proudly made in the USA.

TRC A Series Rigid Right Angle Clips

Predominately Used to Attach Metal Framing to Metal Framing

Section	Clip Thickness	Leg Length (in)	Clip Length (in)	BKT Quantity
TRC223	0.0538" (16ga)	2" x 2"	3.0"	150
	0.0677" (14ga)			
	0.0966" (12ga)			
TRC225	0.0538" (16ga)	2" x 2"	5.0"	120
	0.0677" (14ga)			
	0.0966" (12ga)			
TRC227	0.0538" (16ga)	2" x 2"	7.0"	100
	0.0677" (14ga)			
	0.0966" (12ga)			
TRC229	0.0538" (16ga)	2" x 2"	9.0"	75
	0.0677" (14ga)			
	0.0966" (12ga)			
TRC2211	0.0538" (16ga)	2" x 2"	11.0"	30
	0.0677" (14ga)			
	0.0966" (12ga)			

Clip allowable load data is available and 3rd party PE validated.

TRC B Series Rigid Right Angle Clips

Predominately Used to Attach Metal Framing to Red Iron or Concrete
(B for Bolt hole)

Section	Clip Thickness	Leg Length (in)	Clip Length (in)	BKT Quantity
TRC143	0.0538" (16ga)	1.5" x 4"	3.5"	120
	0.0677" (14ga)			
	0.0966" (12ga)			
TRC145	0.0538" (16ga)	1.5" x 4"	5.5"	100
	0.0677" (14ga)			
	0.0966" (12ga)			
TRC147	0.0538" (16ga)	1.5" x 4"	7.5"	100
	0.0677" (14ga)			
	0.0966" (12ga)			
TRC149	0.0538" (16ga)	1.5" x 4"	9.5"	75
	0.0677" (14ga)			
	0.0966" (12ga)			
TRC1411	0.0538" (16ga)	1.5" x 4"	11.5"	30
	0.0677" (14ga)			
	0.0966" (12ga)			

*All Sales are subject to Telling's Terms & Conditions found at www.buildstrong.com. Prices are subject to change without further notice. Please contact your Telling Sales Representative for further inquiries.
